##### Buses around the World

Do you like to take a bus? Then take a look at these buses. They are cool and different. Let's check them out!

Amfibus in the Netherlands is an amphibious bus. It runs on land and in water. Many people like its yellow color. An Amfibus holds 50 people at a time.

Like Amfibus, DUKW in the UK can run both on land and in water. People call it "duck" because its name is like "duck" and its color is yellow. The army used it in World War II. Now, everyone can take it. A DUKW holds 22 people.

Himiko Water Bus in Japan is a teardrop-like boat. It holds 231 people at a time. You can sit at its table and have tea, juice, or ice cream on it.

At the end of 2019, a new type of coronavirus begins making people sick. It is called Covid-19. People can easily catch Covid-19 from others. Until now, over 398,000 people lost their lives to the disease. However, there is no medicine for it now.

The World Health Organization (WHO) and every country are working to control the spread of the virus. The virus can be easily spread from person to person through the air, physical contact or touching surfaces with the virus on it. The virus makes people sick, such as fever, cough, and difficulty breathing.

Then, what can we do to keep away from getting Covid-19? Here are some rules for us all to follow:

1. Wear a mask and make sure it covers your nose and mouth.
2. Wash your hands with soap and water more often.
3. Check your temperature every day.
4. Try not to touch your eyes, nose, and mouth.
5. Keep a safe distance from sick people.
6. Stay at home for 14 days if you are back from abroad.

Follow these rules, and everyone can be healthy.
