14.

M: Who's the man you just talked to?

W: Oh, that's my boss, Sam.

M: Wow, he looks really young.

W: Yeah, he was only twenty when he opened the restaurant.

M: Who is the woman in blue?

W: Oh, that's Sam's sister. She is a waitress here, too.

Q: Who is the woman in blue?

15.

M: It's freezing today. I'm very cold.

W: Put on the jacket you bought last week.

M: I feel much warmer in the jacket now. By the way, aren't you cold in just a T-shirt?

W: Well, I just came back from the gym, so my body is pretty warm now.

Q: Why does the woman feel warm?

16.

W: Do you know any restaurants which are pet friendly?

M: Yes, the restaurant across from the City Zoo is. But why do you ask?

W: Well, my sister is coming to visit next week, and she will bring her dog with her. I want to know where I can take her to dinner without leaving her dog in my apartment.

M: I see. I'm sure you can find some restaurants.

Q: What do we know about the woman?

17.

B: Hey, who's the girl with long hair?

G: Which one are you talking about? All of the girls have long hair.

B: I mean the one in a black T-shirt.

G: Both Nina and Kelly are wearing black today.

B: All right. I'm talking about the one who is holding flowers.

G: Oh, that's Nina.

Q: What do we know about Nina?

18.

W: Do you know the boys that Jeff often hangs out with?

M: Yes. They are all members of the tennis club. A tennis game for junior high school students will be held next month. I guess that's the reason why they play so often these days.

W: I see. Now I know why Jeff always looks so tired when he comes home.

M: Yeah. They train hard because the first team that they are going to play is very strong. They don't want to lose.

Q: Why does Jeff always look so tired when he comes home?

19.

B: Mandy, you always get good grades. How can you do it?

G: I review the lesson after each class. Last Saturday, I studied in the library all day.

B: Wow! You're such a hard-working student. I only spend half an hour a day on homework.

G: Jeff, you need to spend more time on school work if you want to get good grades.

B: You're right, Mandy. I'll do my best.

Q: What are Jeff and Mandy talking about?
