一. 聽播放的問題，選出符合的圖意的答案。

1. Some children are playing badminton.
2. The garbage truck hasn't come yet.
3. Judy's arm was bitten by an insect.

二. 基本問答，根據聽到的內容，選出合適的回應。

4. Oh, no! I can't find my cellphone.
5. Have you ever played pingpong?
6. When was your house built?
7. How many times have you borrowed books from the library?

三. 言談理解，根據聽到的內容，選出正確的答案。

8. W: My friends and I joined a cosplay party last weekend. It was really amazing.
M: Really? Tell me more about.
W: We dressed up like the characters of the comic books or animated cartoons. After that, we took many pictures together.
M: It sounds funny.
Q: What are they talking about?
9. W: My wallet was lost.
M: How come? I saw you put it in your handbag before you left home.
W: I went to the market. There were many people there. When I took it out, I found my handbag was broken at the bottom and the wallet was not inside. It could be stolen.
M: Do you need to ask the police officer for help?
W: Of course. My credit card and some money were in the wallet. Now I also need to call the credit card service bank to stop using it.
Q: What happened to the woman?
10. I'm always busy at the office all day. I need to help my boss to arrange the schedule, all meetings, connect with the customers and other workers of the company.
It's not a easy job.
Q: What's the job as you listen?
