The Lovely Bones is a book about Susie, a lovely 14-year-old girl. At the beginning of the story, we find out someone killed her and after she died, she stayed in a place between heaven and the world. She was able to see people doing things in the world, but she couldn't talk to them. She was lonely and unhappy. After the murderer took her life away, all of the people in her family were angry and sad because the police couldn't find the guy. Susie saw them crying every day, so she tried her best to help her father find the guy. As she did that, Susie gradually realized she should forget all the bad things and move on. Only by doing so could her family accept the fact that Susie was dead and be truly happy again. (綜合)
