Dear Friends,

We are the 3-W Club. We walk on the Earth, we watch the Earth, and we worry about the only home we have. We're writing to tell you that our 3-W Club is very worried about our earth.

Many bad things are happening to our Earth: the waters are getting warmer, the sea ice is melting, the rivers are running dry, the spring is coming earlier, the autumn is coming later, and the winter is almost gone. The list goes on and on.

Can you see or feel the changes? Our Earth needs help. Please e-mail us pictures of the changes you see around you. What's the good of doing this? We want everyone to see your pictures.

We also hope people to save the Earth together. With your care, our Earth will become a better place to live in.

Yours truly,

The 3-W Club
