(一) “Blowing in the Wind” lyrics

(Line 1) How many roads must a man walk down  
Before you call him a man  
Yes, and how many seas must a white dove sail  
Before she sleeps in the sand

(Line 5) Yes, and how many times must the cannonballs fly  
Before they're forever banned?  
The answer, my friend, is blowing in the wind  
The answer is blowing in the wind

(Line 9) Yes, how many years must a mountain exist  
Before it is washed to the sea?  
Yes, how many years can some people exist  
Before they're allowed to be free  
Yes, and how many times can a man turn his head  
And pretend that he just doesn't see ?  
The answer, my friend, is blowing in the wind  
The answer is blowing in the wind

(Line 17) Yes, how many times must a man look up  
Before he can see the sky?  
Yes, and how many ears must one man have  
Before he can hear people cry?  
Yes, how many deaths will it take till he knows  
That too many people have died?

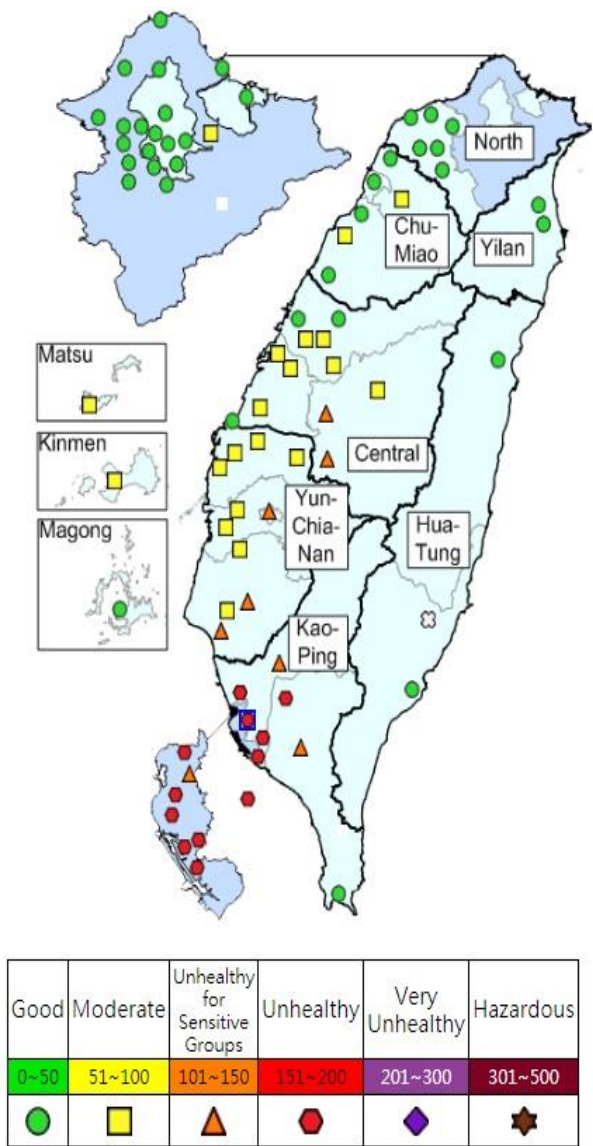

The answer, my friend, is blowing in the wind  
The answer is blowing in the wind
