Man: Hmm. The price is right, but I can't imagine wearing it for very long. Can you bring a larger size?

Question: What is the problem with the man's jacket?

10. Woman: Do you know a color can have different meanings in different countries?

11. Man: What are you wearing, Honey?
Woman: What do you mean? I'm wearing what I have on.

Man: I know that, but don't you think your blouse is too tight and short.

Woman: Don't worry, Honey. I won't go out like this. I just wanted to see if I could still wear them, but I guess they're too tight.

Question: What can we learn from the dialogue?

12. Girl: Bob, why did you buy an umbrella for your girlfriend, Jenny, as a going-away gift? Neither she or her mom likes the idea.

Feng made some cookies to be the going-away gifts for the visitors. They are satisfied with their new life now.
