11. W: Dave, take a look at the interesting news. In Spain, when someone is under the weather, they like to drink garlic tea.

M: What? Garlic tea?

W: Yes, it can help the body fight the cold. Far away from Spain, people in China often put ginger root in their tea for the same reason.

M: Cool! Maybe next time I will give it a try when I don't feel well.

Q: What are the man and the woman talking about?

12. M: Lisa, your English is so good. How do you learn English?

W: Well, watching movies and listening to English songs are really helpful.

I can learn a lot of new words from the movie or the songs. Besides, I can practice my listening and speaking.

M: Okay, thank you for sharing with me. Maybe I can give it a try next time.

Q: What are the man and the woman talking about?

13. W: Jeff, this is the T-shirt you are looking for, isn't it?

M: Yes, it is. Where did you get it?

W: I got it on the Internet. There are still many on the website. You can go check it.

M: Can you give me the website? Maybe I can order one there. W: Sure.

Q: What is Jeff looking for?

14. W: Jason, I saw you laughing at Leo yesterday. It was really not good.

M: Well, not just me. A lot of boys don't like him at all because he likes to play with dolls in his free time. How strange he is!

W: Strange? Not at all. You shouldn't have the gender stereo types. Boys can play with dolls and girls can play with robots. Take Jason Wu for example, he is an excellent fashion designer. He loved to play with dolls as a child. But he is one of the best male designers in the world. He is great, isn't he? Q: What does the girl tell Jason?

15. W: Father's Day is around the corner, so I plan to buy Dad a gift in the department store.

M: What are you going to buy? W: I have no idea.

M: You can buy a new I-phone. It just came out last week. And it is on sale now. So it isn't that expensive. W: Sounds great. Q: What is the woman going to buy for her dad?
