M: Dear all,

Our Great Barrier Reef is in danger. The sea water is getting warm. People are hurting coral reef when they are playing in the sea. What's more, some people don't take their garbage away, even throw it into the sea. So, the garbage goes into the sea. Then the sea animals eat the garbage and die. We really need to take action to stop this!

M: Judy. I want to celebrate mom's birthday on Saturday.

W: Great! What can we do?

M: I am planning to write a birthday card, clean the house, and buy a cake.

W: I can clean the house.

M: OK. Then I can buy the cake.

W: Good. And then we can write the birthday card after that.

Q: What are they planning to do for their mother's birthday?
