(二)

Many people think that fish forget(忘記) things very fast. They think fish remember(記得) things for only three seconds. But this is not true. Scientists(科學家) in Israel(以色列) study some young fish.

The scientists play a sound when(當) they give food to the fish. They do this every day for one month. Then, the scientists put the fish in the sea. After four or five months, the scientists play the sound again. The fish learn from the scientists. They remember the sound and come back for the food.

But there is more. Other studies say that fish remember things for three months or more. The fish can see different shapes(形狀), colors, and sounds. Fish remember many things.

32. What is the main idea of the article?

- (A) Fish forget things very fast.
(B) Fish remember things for only three seconds.
(C) Fish have a long and good memory(記憶).
(D) Fish learn from the scientists.

33. What do many people think about fish memory?

- (A) Fish remember things for only three seconds.
(B) Fish remember things for three months or more.
(C) Fish remember things very fast.
(D) Fish remember many things.

34. What do the scientists do to teach the fish?

- (A) They put the fish in the sea for four or five months.
(B) They play a sound when they give food to the fish.
(C) They show the fish different shapes, colors, and sounds.
(D) They study the fish every day for one month.

(三)

School buses in the US have the same color. The color is National(國家的) School Bus Glossy(亮面) Yellow. But this was not always true. In the past, buses and trucks(卡車) for school had(擁有) many sizes and colors.

This changed(改變) in 1939. Some school experts(專家) met(見面). They wanted to make(使) school buses better for kids. They made(製作) some rules. They chose(選擇) the buses' doors, sizes, and more.

The experts also chose a new color for the buses. A bright(明亮) color would(將) help people see the buses in the morning and afternoon. It would also make people know it is a school bus. So, they would be careful around the buses. Yellow school buses are very safe on the road.

35. What is the main idea of this reading?

- (A) School buses in the US are yellow and safe.
(B) Some school experts met in 1939.
(C) School buses in the US have different rules.
(D) Before 1939, School buses had different colors.

36. What does better mean in the reading?

- (A) More(更) comfortable.
- (B) More fun.
- (C) More expensive.
- (D) Safer(更安全).

37. What did the school experts choose for the buses besides(除了) the color?

- (A) The wheels(輪子) and lights.
- (B) The seats and windows.
- (C) The doors and sizes.
- (D) The drivers(司機) and routes(路徑).

(四)

Hot dogs are very popular in America. Many people eat them outside, at sports games, and on a special day. The special day is the Fourth of July.

Nathan's Famous is a famous hot dog company(公司). It has a Hot Dog Eating Contest(競賽) every year. People meet at its restaurant in Coney Island. It is a place near the sea.

A lot of fans come to watch the contest. A big TV channel(頻道) shows the contest to many more people. The contest is in the morning. Men and women join the contest. They eat as many hot dogs as they can in 10 minutes.

The people in the contest must eat the hot dogs and the bread. They drink water to make(使) it easier(更容易) to eat. In 2021, a man ate(吃) 76 hot dogs and won(贏). A woman won in 2020, and she ate 48.5 hot dogs. The Hot Dog Eating Contest is very fun to watch on the Fourth of July.

38. What is the article mainly about?
